# WHO AM I?

EDUCATION IS THE

to SUCCESS

# MOTIVATION

I can,  
I will,  
I do.

## MY GOAL.

6. What effect has my goal got for myself?  
For others? For the world?

5. Look down the ladder and up the ladder, reflect. Will I make a difference? Am I happy doing this?

4. Don't let life decide you, you decide life. I need to be focused.

## MOTIVATION!

3. I need to be motivated

2. I need to know my barriers create an action plan.

1. It's me looking up. I need and want to change.  
I'm in control, people can help me but it's down to me.

Definition of motivation

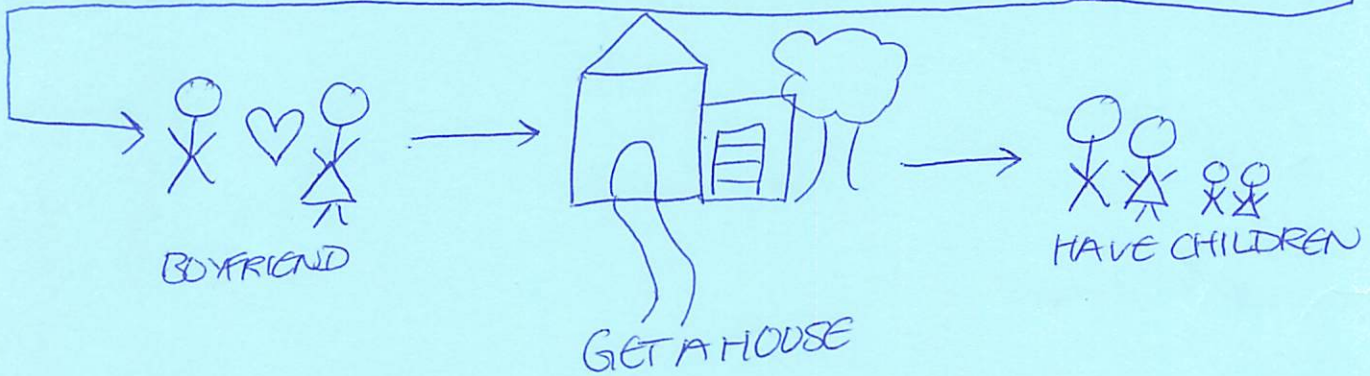

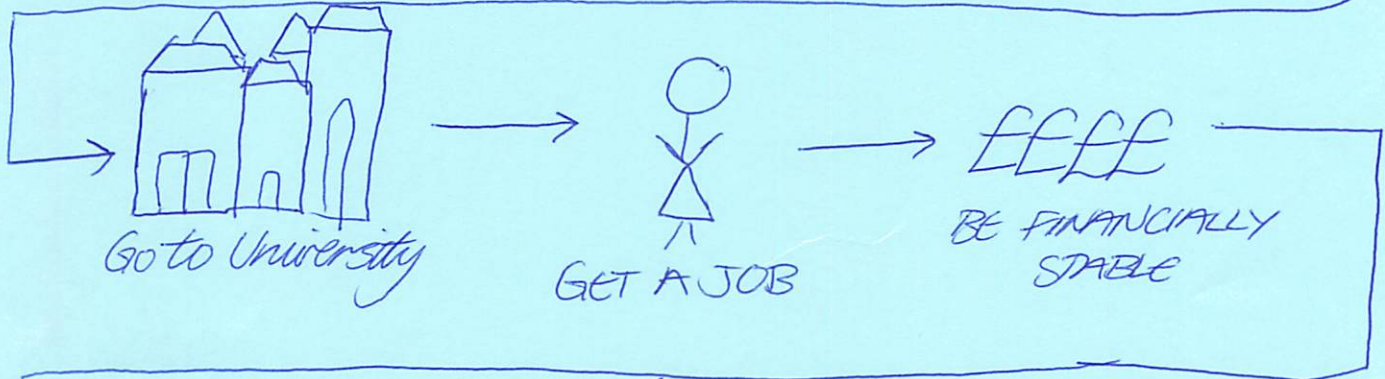

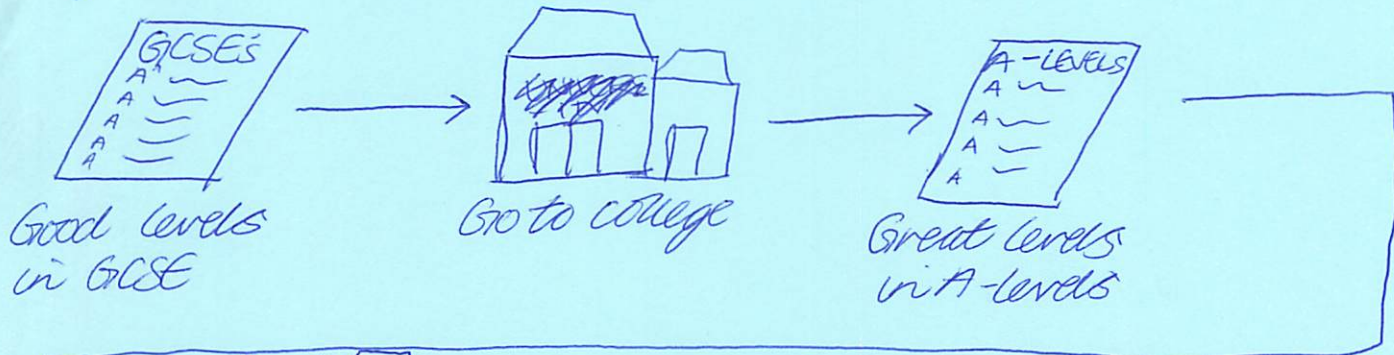

To be focused and have your mind set on a particular thing/goal, etc.
